The following is a paragraph: Though it can be more expensive than other methods, flying is the best way to travel because it is convenient, quick, and comfortable. Flying is convenient because you do not need to know directions or how to get somewhere. A trained pilot takes care of all that for you. Additionally, flying is much quicker than driving or taking a train. This means that you can spend more time at your destination. Finally, flying is more comfortable than driving because you spend the time sleeping, reading, or enjoying a snack rather than focusing on the road. For these reasons, flying is the best method of transportation.
